Subject: RE: Docket No. 2006-107-WS: United Utility Companies, Inc.

Mr. Horr:

I thank you for your reply. As I stated in my previous letter, you may intervene as a matter of right on your own behalf, since you are a customer of the Applicant. If you do not wish to formally intervene in the case, but still wish to offer your testimony as a public witness, you may do so at the public hearing which will be held on Monday night at 6:30 PM at the Greenville County Public Library, 25 Heritage Green Place, Greenville, South Carolina 29601. If you are unable to attend the public hearing and testify there, you may attend and testify at the merits hearing in the case, which is scheduled to be held in the Commission's offices in Columbia on Monday, August 28, 2006 at 10:30 AM.

I hope this gives you the information you need.

With kind regards, I am

Randall Dong

Ref: Docket No. 2006-107-WS
Application of United Companies, Inc. for Approval of an Adjustment of Rates and Charges
for the Provision of Water and Sewer Service

Dear Mr. Dong,

Thank you for your letter of August 2, 2006.

It is true that I am not an attorney and that the Lake Trollingwood Homeowners Association (LTHA) is not a customer of United Utility Co. (UUC). Therefore, I agree that I cannot represent the LTHA in the referenced proceeding.

We are a small neighborhood with approximately 50 homes served by UUC. We do not have sufficient legal issues to argue nor can we afford the services of an attorney. Our main issue is the frequent and excessive increases in the rates for water and sewer service (see the attached spreadsheet; UUC_Rates.xls).

However, I am a customer of UUC in that they provide both the water and sewer service to my home. May I continue to participate in these proceedings in an individual capacity?

Regards,
